

Massage Therapy Consent- Minor

Minors are permitted to receive massage in our office.

Parent or legal guardian must be present in helping complete the health history/intake form for the minor, along with consent for the massage therapy session.

- *Texas State Law:* Minors (all persons **under** the age of 17 – unless otherwise emancipated) can receive massage with written parental/legal guardian consent.
- In collaboration with the consenting adult and minor, the massage practitioner will assist in establishing goals for the session(s).

All minors **age 16 and under**, a parent/guardian must be present in the treatment room during every session. Once a comfortable therapeutic relationship has been established, and the practitioner, child and parent are comfortable; the parent/guardian does not have to be present in the room.

I am comfortable with my child who is **age 13 or under** being in the treatment room by themselves without a parent/guardian present. (Date started: _____)

I am comfortable with my child who is **age 14-16** being in the treatment room by themselves without a parent/guardian present. (Date started: _____)
